Enertech Global is continually working to improve its products. As a result, the design and specifications of each product may change without notice and may not be as described herein. For the most up-to-date information, please visit our website, or contact our Customer Service department at info@enertechgeo.com. Statements and other information contained herein are not express warranties and do not form the basis of any bargain between the parties, but are merely Enertech Global’s opinion or commendation of its products.
Section 1: Introduction

WELCOME!
You’re made the smart investment in a geothermal system. We understand the number of available options you could of chose from, and we thank you for choosing us. Not only are you going to enjoy better comfort, but noticeable energy savings as well. On top of it all, you’re the proud owner of one of the most environmentally friendly technologies around.

The purpose of this manual is to acquaint you with some of the features of your new geothermal system, as well as cover a few basic maintenance items that will ensure you’ll be enjoying your system for years to come.

If at anytime you have a question regarding your system, contact your installer listed below.

Section 2: Maintenance

MAINTENANCE
Each unit contains a high pressure and low-pressure limit sensor to shut the unit down in case an unusual or abnormal condition exists. Should a sensor need to be reset more than once in a 24-hour period or if resetting becomes regular (repeatedly once a week or more) contact your Dealer/Installer.

For units with Hot Water Exchangers, follow suppliers’ service and maintenance recommendations for all external pumps, circulators, valves and accessories.

MAINTENANCE NOTE:
Regular maintenance such as filter changes, drain pan cleaning, loop flushing/pressurization, and other monthly/annual maintenance is not covered by the Enertech warranty policy unless otherwise specifically stated.

OWNER REMINDERS
1. Know which switch/fuse or circuit breakers feed the unit. Shut the unit off and contact your Installer Service Tech anytime you suspect malfunction. Check the disconnect switch/fuse or circuit breaker whenever the unit stops and its thermostat or control signal is on. Report any repeated outages to your Installer-Service Tech. Shut the unit off during any power outage. Switch it on only after you are assured electrical service is continuous and voltage is proper.

2. For systems on open wells, it is recommended to have your local dealer examine your heat exchanger at least once a year to insure there is no sediment buildup in the system.

⚠️ WARNING ⚠️

WARNING: THERE ARE NO USER SERVICEABLE COMPONENTS IN OR ON ANY OF THE EQUIPMENT. DO NOT ATTEMPT TO SERVICE OR REPAIR THIS EQUIPMENT. ONLY SKILLED AND CERTIFIED TECHNICAL TECHNICIANS SHOULD ATTEMPT SUCH SERVICE AND/OR REPAIR. YOUR ATTEMPT TO SERVICE OR REPAIR THIS EQUIPMENT COULD RESULT IN SERIOUS INJURY OR EVEN DEATH.
Section 3: Warranty Registration

IMPORTANT WARRANTY INFORMATION FOR END-USER
In order to validate your warranty, your installer must fill out the warranty registration form, included with this information package, or via our online form at www.enertechgeo.com.

You, as the end-user, must endorse the registration form via the online form, or mail the form to the address below, or fax to 618-664-4597.

Enertech Global
Attn: Warranty & Claims Dept.
2506 South Elm Street
Greenville, IL 62246

We have a fine warranty and want you to be able to take full advantage of its benefits; however, we ask that you do your part to help us serve you better.

A Warranty Registration Form must be filed within 10 days of equipment start-Up. Exceptions may be made under certain circumstances and at the sole discretion of Enertech Global.

Enertech Global D-I-Y Policy: Enertech Global’s geothermal heat pumps and system installations may include electrical, refrigerant and/or water connections. Federal, state and local codes and regulations apply to various aspects of the installation. Improperly installed equipment can lead to equipment failure and health/safety concerns. For these reasons, only qualified technicians should install an Enertech Global built geothermal system.

Because of the importance of proper installation, Enertech Global does not sell equipment direct to homeowners. Internet websites and HVAC outlets may allow for purchases directly by homeowners and do-it-yourselfers, but Enertech Global offers no warranty on equipment that is purchased via the internet or installed by persons without proper training.

Enertech Global has set forth this policy to ensure installations of Enertech Global geothermal systems are done safely and properly. The use of well-trained, qualified technicians helps ensure that your system provides many years of comfort and savings.
ALL WARRANTY REGISTRATIONS SHOULD BE SUBMITTED WITHIN 10 DAYS OF INSTALLATION

Enertech Global, LLC, for brands: “Hydron Module” Residential Single Family, Owner Occupied

10-10-5 YEAR STANDARD LIMITED WARRANTY STARTING MAY 01 2015

Enertech Global, LLC. warrants all internal system components, including but not limited to the compressor, coaxial exchanger, air coil, contactor, circuit boards, capacitor, wiring harnesses, blower assembly, expansion valve and reversing valve, to be free from defects in material and workmanship for a period of TEN (10) years from the date of delivery to the original purchaser-user, transferable to new owner.

Enertech Global, LLC warrants its geothermal unit and selected accessories to be free from defects in material and workmanship for a period of TEN (10) years from the date of delivery to the original purchaser-user, transferable to new owner. Accessories; Enertech name branded thermostat, flow centers with fixed speed pumps, internal plenum and close coupled electric heaters (excludes AXH Series “Duct Heaters”), EWC zoning (panels and dampers) purchased with a unit from Enertech Global, LLC are warranted from the date of delivery to the original purchaser-user. Flow centers with variable speed pumps and their associated controllers and sensors are warranted by the manufacturer’s FIVE (5) year coverage to the original purchaser-user. Non-Enertech name branded thermostats are covered by the manufacturers THREE (3) year warranty. Duct Heaters are covered by the manufacturers ONE (1) year warranty.

Enertech Global, LLC warrants service labor allowances for FIVE (5) years from the date of delivery to the original purchaser-user, transferable to new owner, for servicing, removing or reinstalling parts for the refrigeration system, or for any defect in materials and workmanship inside the unit as set forth above. Labor allowances may not cover the full amount of labor charged, depending on the servicing contractor.

Warranty registration by the installing contractor or user provides Limited Lifetime Compressor and Micro-Channel Air Coil coverage and extends labor allowance coverage 5 years (years 6 through 10) at no additional charge. Warranty registration must occur within 60 days of installation or 6 months from Enertech’s ship date.

CONDITIONS AND EXCLUSIONS:

The Limited Warranty only applies if the following conditions are met:
A. This Limited Warranty will not apply and shall be null and void if the Enertech Global, LLC. serial number has been altered, defaced or removed.
B. This Limited Warranty shall be null and void if the Enertech Global, LLC. unit has been disconnected or removed from the location of original installation, or if dealer-seller has not been paid in full for the unit.
C. This Limited Warranty shall not apply to unit failure or defect caused by improper installation, field modification, improper electric power delivery from local electric company or other battery or powered generator stand-by devices, improper maintenance or misuse including operation during building construction, corrosion caused by airborne contaminants, chlorine or salt air exposure, corrosive liquids or water, abuse, neglect, Act of God, outdoor installation, damage from abuse, accident, fire, flood and the like, or to defects or damage caused by the use of any attachment, accessory or component not authorized by Enertech Global, LLC.
D. Replacement or repaired parts and components are warranted only for the remainder of the original warranty period, as stated above.
E. This Limited Warranty applies only to Enertech Global, LLC. residential single-family, owner occupied units sold and installed by a trained, independent, contractor-custom of Enertech Global, LLC, or an authorized representative and/or distributor, in the United States or Canada, and subject to normal usage as described and rated on the applicable descriptive sheet for such unit. This warranty shall not be valid if equipment is not installed in accordance with methods prescribed in our data and technical manuals and in compliance with local codes. Improper installation may endanger the occupants of the dwelling. Contractor-customer must complete the warranty registration card supplied with the Enertech Global, LLC. unit, which must then be endorsed by original purchaser-user and mailed within ten (10) days after initial installation. If warranty card is not returned, warranty shall commence at date unit was shipped from Enertech Global, LLC.
F. The obligation for Enertech Global, LLC. under this Limited Warranty is expressly limited to replacement of any parts or components as specified and found within the cabinet. Enertech Global, LLC. reserves the right to replace defective components under warranty with new or reconditioned parts. This warranty does not cover any labor expenses for service, nor for removing or reinstalling parts. Accessory, peripheral and ancillary parts and equipment or not covered by this warranty.
G. Enertech Global, LLC. does not warrant equipment which has been custom built or modified to purchaser-user specifications. Likewise, any field modification of any equipment shall also void this, and any and all warranties.
H. Regular maintenance such as filter changes, drain pan cleaning, loop flushing/pressurization, and other monthly/annual maintenance is not covered.

Notice: Outdoor or unconditioned space installation of any equipment other than units intended for outdoor installation shall cause this and all warranties to be deemed void.

SHIPPING COSTS: Enertech is responsible for the cost of shipping warranty replacement parts from the Enertech Global, LLC. factory to the distributor of the parts. Purchaser-user is responsible for any shipping cost of returning the failed part to the distributor.

THE FOREGOING LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES (AND IMPLIED CONDITIONS IN CANADA), EXPRESSED, IMPLIED AND STATUTORY, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND ALL SUCH WARRANTIES, EXPRESSED OR IMPLIED, ARE EXCLUDED AND SHALL NOT APPLY TO THE GOODS SOLD. IN NO EVENT SHALL WARRANTOR BE LIABLE FOR DIRECT, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY DEFECT IN THE GOODS EXCEPT TO THE EXTENT SET FORTH HEREFIN.

(Some states do not allow exclusion or limitation of implied warranties or liability for incidental or consequential damage). For additional information or assistance, contact the WARRANTOR, which is: Enertech Global, LLC., 2506 South Elm Street, Greenville, IL 62246.
OPTIONAL WARRANTIES:

Enertech Global, LLC’s receipt of the completed online or mail-in registration form, provides a limited lifetime ONE TIME, PARTS ONLY warranty coverage, to the original owner, for the compressor and aluminum Micro-Channel Air Coil (MCHX) for the life of the unit and extends labor allowance coverage 5 years (years 6 through 10) at no additional charge. Option requires original warranty registration within 60 days of installation or 6 months from Enertech’s ship date and may not be used with any reduced warranty purchases.

Enertech Global, LLC offers a reduced 5/5/5 GEOTHERMAL UNIT warranty covering PARTS, SELECT UNIT ACCESSORIES and SERVICE LABOR ALLOWANCE for FIVE (5) years. Enertech Global, LLC offers a reduced 5/5/5 GEOTHERMAL UNIT warranty covering PARTS, SELECT UNIT ACCESSORIES and SERVICE LABOR ALLOWANCE for FIVE (5) years.

Enertech Global, LLC offers a reduced ENERGY STAR minimum GEOTHERMAL UNIT warranty covering the REFRIGERATION CIRCUIT, PARTS and SERVICE LABOR ALLOWANCE for FIVE (5) years and SELECT PARTS, UNIT ACCESSORIES and SERVICE LABOR ALLOWANCE for TWO (2) years.

Only one reduced warranty coverage may be selected.
Enertech Global, LLC., for brands: “GeoComfort” Residential Single Family, Owner Occupied
10-10-5 YEAR STANDARD LIMITED WARRANTY STARTING May 01, 2015
Enertech Global, LLC. warrants all internal system components, including but not limited to the compressor, water to air heat exchanger, air coil, contactor, circuit boards, capacitor, wiring harnesses, blower assembly, expansion valve and reversing valve, to be free from defects in material and workmanship for a period of TEN (10) years. Enertech Global, LLC. warrants its geothermal unit against defects in materials and workmanship for TEN (10) years. Warranty coverage will begin 60 days after Enertech Global, LLC’s ship date or the warranty registration date, whichever comes first.
Enertech Global, LLC warrants selected accessories to be free from defects in material and workmanship for a period of TEN (10) years. Covered accessories when purchased with a unit: Enertech or dealer name branded thermostats, flow centers with fixed speed pumps, internal plenum and close coupled electric heaters (excludes AXH Series “Duct Heaters”), EWC zoning (panels and dampers). Flow centers with variable speed pumps and their associated controllers and sensors are warranted by the manufacturers FIVE (5) year coverage to the original purchaser-user. Non Enertech or non dealer name branded thermostats are covered by the manufacturers THREE (3) year warranty. Duct Heaters are covered by the manufacturers ONE (1) year warranty. Warranty coverage will begin 60 days after Enertech Global, LLC’s ship date or the warranty registration date, whichever comes first.
Enertech Global, LLC warrants service labor allowances for FIVE (5) years from the date of delivery to the original purchaser-user, transferable to new owner, for servicing, removing or reinstalling parts for the refrigeration system, or for any defect in materials and workmanship inside the unit as set forth above. Labor allowances may not cover the full amount of labor charged, depending on the servicing contractor.
Warranty registration by the installing contractor or user extends labor allowance coverage 5 years (years 6 through 10) at no additional charge. Warranty registration must occur within 60 days of installation or 6 months from Enertech’s ship date.

CONDITIONS AND EXCLUSIONS:
The Limited Warranty only applies if the following conditions are met:
A. This Limited Warranty will not apply and shall be null and void if the Enertech Global, LLC. serial number has been altered, defaced or removed.
B. This Limited Warranty shall be null and void if the Enertech Global, LLC. unit has been disconnected or removed from the location of original installation, or if dealer-seller has not been paid in full for the unit.
C. This Limited Warranty shall not apply to unit failure or defect caused by improper installation, field modification, improper electric power delivery from local electric company or other battery, powered generator or stand-by devices, improper maintenance or misuse including operation during building construction, corrosion caused by airborne contaminants, chlorine or salt air exposure, corrosive liquids or water, abuse, neglect, Act of God, outdoor installation, damage from abuse, accident, fire, flood and the like, or to defects or damage caused by the use of any attachment, accessory or component not authorized by Enertech Global, LLC.
D. Replacement or repaired parts and components are warranted only for the remainder of the original warranty period, as stated above.
E. This Limited Warranty applies only to Enertech Global, LLC. residential single-family, owner occupied units sold and installed by a trained, independent, contractor-customer of Enertech Global, LLC., or an authorized representative and/or distributor, in the United States or Canada, and subjected to normal usage as described and rated on the applicable descriptive sheet for such unit. This warranty shall not be valid if equipment is not installed in accordance with methods prescribed in our data and technical manuals and in compliance with local codes. Improper installation may endanger the occupants of the dwelling. Contractor or customer must complete the on-line warranty registration available at warranty-registration.enertechgeo.com within sixty (60) days after unit installation.
F. The obligation for Enertech Global, LLC. under this Limited Warranty is expressly limited to replacement of any parts or components as specified and found within the cabinet. Enertech Global, LLC. reserves the right to replace defective components under warranty with new or reconditioned parts. This warranty does not cover any labor expenses for service, nor for removing or reinstalling parts. Accessory, peripheral and ancillary parts and equipment not covered by this warranty.
G. Enertech Global, LLC. does not warrant equipment which has been custom built or modified to purchaser-user specifications. Likewise, any field modification of any equipment shall also void this, and any and all warranties.
H. Regular maintenance such as filter changes, drain pan cleaning, loop flushing/pressurization, and other monthly/annual maintenance is not covered.

The foregoing Limited Warranty is in lieu of all other warranties (and implied conditions in Canada), expressed, implied and statutory, including, without limitation, the implied warranties of merchant-ability and fitness for a particular purpose, and all such warranties, expressed or implied, are excluded and shall not apply to the goods sold. In no event shall warrantor be liable for direct, indirect, incidental, or consequential damages resulting from any defect in the goods except to the extent set forth herein.

(Some states do not allow exclusion or limitation of implied warranties or liability for incidental or consequential damage). For additional information or assistance, contact the WARRANTOR, which is: Enertech Global, LLC., 2506 South Elm Street, Greenville, IL 62246
WARRANTY OPTIONS: Warranty registration by the installing contractor or user extends 5 years (years 6 through 10) parts only warranty compressor coverage at no additional charge.

Enertech Global, LLC offers an extended ONE TIME, PARTS ONLY warranty option coverage, to the original owner, for the compressor and aluminum Micro-Channel Air Coil for the life of the unit beginning in year ELEVEN (11). Option requires original warranty registration.

Enertech Global, LLC offers a reduced 5/5 GEOTHERMAL UNIT warranty covering PARTS, SELECT UNIT ACCESSORIES and SERVICE LABOR ALLOWANCE for FIVE (5) years.

Enertech Global, LLC offers a reduced ENERGY STAR minimum GEOTHERMAL UNIT warranty covering the REFRIGERATION CIRCUIT, PARTS and SERVICE LABOR ALLOWANCE for FIVE (5) years and SELECT PARTS, UNIT ACCESSORIES and SERVICE LABOR ALLOWANCE for TWO (2) years.

Notice: Outdoor or unconditioned space installation of any equipment other than units intended for outdoor installation shall cause this and all warranties to be deemed void.

SHIPPING COSTS: Enertech is responsible for the cost of shipping warranty replacement parts from the Enertech Global, LLC factory to the distributor of the parts. Purchaser-user is responsible for any shipping cost of returning the failed part to the distributor.
Enertech Global, LLC, for brands: “TETCO” Residential Single Family, Owner Occupied

5-5-5 YEAR STANDARD LIMITED WARRANTY STARTING May 01, 2015

Enertech Global, LLC warrants all internal system components, including but not limited to the compressor, coaxial exchanger, air coil, contactor, circuit boards, capacitor, wiring harnesses, blower assembly, expansion valve and reversing valve, to be free from defects in material and workmanship for a period of FIVE (5) years from the date of delivery to the original purchaser-user, transferable to new owner.

Enertech Global, LLC warrants its geothermal unit and selected accessories to be free from defects in material and workmanship for a period of FIVE (5) years from the date of delivery to the original purchaser-user, transferable to new owner. Accessories; Enertech name branded thermostat, flow centers with fixed speed pumps, internal plenum and close coupled electric heaters (excludes AXH Series “Duct Heaters”), EWC zoning (panels and dampers) purchased with a unit from Enertech Global, LLC are warranted from the date of delivery to the original purchaser-user. Flow centers with variable speed pumps and their associated controllers and sensors are warranted by the manufacturers FIVE (5) year coverage to the original purchaser-user. Non Enertech name branded thermostats are covered by the manufacturer's THREE (3) year warranty. Duct Heaters are covered by the manufacturer's ONE (1) year warranty.

Enertech Global, LLC warrants service labor allowances for FIVE (5) years from the date of delivery to the original purchaser-user, transferable to new owner, for servicing, removing or reinstalling parts for the refrigeration system, or for any defect in materials and workmanship inside the unit as set forth above. Labor allowances may not cover the full amount of labor charged, depending on the servicing contractor.

Warranty registration by the installing contractor or user provides a TEN (10) year parts only compressor warranty at no additional charge. Warranty registration must occur within 60 days of installation or 6 months from Enertech’s ship date.

CONDITIONS AND EXCLUSIONS:
The Limited Warranty only applies if the following conditions are met:
A. This Limited Warranty will not apply and shall be null and void if the Enertech Global, LLC. serial number has been altered, defaced or removed.
B. This Limited Warranty shall be null and void if the Enertech Global, LLC. unit has been disconnected or removed from the location of original installation, or if dealer-seller has not been paid in full for the unit.
C. This Limited Warranty shall be null and void if unit failure or defect caused by improper installation, field modification, improper electric power delivery from local electric company or other battery powered generator stand-by devices, improper maintenance or misuse including operation during building construction, corrosion caused by airborne contaminants, chlorine or salt air exposure, corrosive liquids or water, abuse, neglect, Act of God, outdoor installation, damage from abuse, accident, fire, flood and the like, or to defects or damage caused by the use of any attachment, accessory or component not authorized by Enertech Global, LLC.
D. Replacement or repaired parts and components are warranted only for the remainder of the original warranty period, as stated above.
E. This Limited Warranty applies only to Enertech Global, LLC. residential single-family, owner occupied units sold and installed by a trained, independent, contractor-customer of Enertech Global, LLC., or an authorized representative and/or distributor, in the United States or Canada, and subjected to normal usage as described and rated on the applicable descriptive sheet for such unit. This warranty shall not be valid if equipment is not installed in accordance with methods prescribed in our data and technical manuals and in compliance with local codes. Improper installation may endanger the occupants of the dwelling. Contractor-customer must complete the warranty registration card supplied with the Enertech Global, LLC. unit, which must then be endorsed by original purchaser-user and mailed within ten (10) days after initial installation. If warranty card is not returned, warranty shall commence at date unit was shipped from Enertech Global, LLC.
F. The obligation for Enertech Global, LLC. under this Limited Warranty is expressly limited to replacement of any parts or components as specified and found within the cabinet. Enertech Global, LLC. reserves the right to replace defective components under warranty with new or reconditioned parts. This warranty does not cover any labor expenses for service, nor for removing or reinstalling parts. Accessory, peripheral and ancillary parts and equipment or not covered by this warranty. Enertech Global, LLC. does not warrant equipment which has been custom built or modified to purchaser-user specifications. Likewise, any field modification of any equipment shall also void this, and any and all warranties.
G. Regular maintenance such as filter changes, drain pan cleaning, loop flushing/pressurization, and other monthly/annual maintenance is not covered.

Notice: Outdoor or unconditioned space installation of any equipment other than units intended for outdoor installation shall cause this and all warranties to be deemed void.

SHIPPING COSTS: Enertech is responsible for the cost of shipping warranty replacement parts from the Enertech Global, LLC. factory to the distributor of the parts. Purchaser-user is responsible for any shipping cost of returning the failed part to the distributor.

THE FOREGOING LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES (AND IMPLIED CONDITIONS IN CANADA), EXPRESSED, IMPLIED AND STATUTORY, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND ALL SUCH WARRANTIES, EXPRESSED OR IMPLIED, ARE EXCLUDED AND SHALL NOT APPLY TO THE GOODS SOLD. IN NO EVENT SHALL WARRANTOR BE LIABLE FOR DIRECT, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY DEFECT IN THE GOODS EXCEPT TO THE EXTENT SET FORTH HEREIN.

(Some states do not allow exclusion or limitation of implied warranties or liability for incidental or consequential damage). For additional information or assistance, contact the WARRANTOR, which is: Enertech Global, LLC, 2506 South Elm Street, Greenville, IL 62246.
Section 5: Standard Residential Warranty - TETCO Brand

WARRANTY OPTIONS:

Enertech Global, LLC offers an extended warranty option to cover the entire unit, all parts, select accessories and the compressor plus labor allowance for TEN (10) years from the date of installation.

Enertech Global, LLC offers a reduced ENERGY STAR minimum GEOTHERMAL UNIT warranty covering the REFRIGERATION CIRCUIT, PARTS and SERVICE LABOR ALLOWANCE for FIVE (5) years and SELECT PARTS, UNIT ACCESSORIES and SERVICE LABOR ALLOWANCE for TWO (2) years.
Enertech Global, LLC., for brands: “GeoComfort”, “Hydron Module”, and “TETCO” Commercial or Non-Single Family

1-YEAR LIMITED WARRANTY

Enertech Global, LLC. warrants all internal system components, including but not limited to the compressor, coaxial exchanger, air coil, contactor, circuit boards, capacitor, wiring harnesses, blower assembly, expansion valve and reversing valve, to be free from defects in material and workmanship for a period of one (1) year from the date of delivery to the original purchaser-user. Enertech Global, LLC. warrants its geothermal unit against defect in materials and workmanship for one (1) year from the date of delivery to the original purchaser-user.

CONDITIONS AND EXCLUSIONS:
The Limited Warranty only applies if the following conditions are met:
A. This Limited Warranty will not apply and shall be null and void if the Enertech Global, LLC. serial number has been altered, defaced or removed.
B. This Limited Warranty shall be null and void if the Enertech Global, LLC. unit has been disconnected or removed from the location of original installation, or if dealer-seller has not been paid in full for the unit.
C. This Limited Warranty shall not apply to unit failure or defect caused by improper installation, field modification, improper electric power delivery from local electric company or other battery or powered generator stand-by devices, improper maintenance or misuse including operation during building construction, corrosion caused by airborne contaminants, chlorine or salt air exposure, corrosive liquids or water, abuse, neglect, Act of God, outdoor installation, damage from abuse, accident, fire, flood and the like, or to defects or damage caused by the use of any attachment, accessory or component not authorized by Enertech Global, LLC.
D. Replacement or repaired parts and components are warranted only for the remainder of the original warranty period, as stated above.
E. This Limited Warranty applies only to Enertech Global, LLC. commercial and/or multi-family use (i.e. non-residential-single-family) units sold and installed by a trained, independent, contractor-customer of Enertech Global, LLC., or an authorized representative and/or distributor, in the United States or Canada, and subjected to normal usage as described and rated on the applicable descriptive sheet for such unit. This warranty shall not be void if equipment is not installed in accordance with methods prescribed in our data and technical manuals and in compliance with local codes. Improper installation may endanger the occupants of the dwelling. Contractor-customer must complete the warranty registration card supplied with the Enertech Global, LLC. unit, which must then be endorsed by original purchaser-user and mailed within ten (10) days after initial installation. If warranty card is not returned, warranty shall commence at date unit was shipped from Enertech Global, LLC.
F. The obligation for Enertech Global, LLC. under this Limited Warranty is expressly limited to replacement of any parts or components as specified and found within the cabinet. Enertech Global, LLC. reserves the right to replace defective components under warranty with new or reconditioned parts. This warranty does not cover any labor expenses for service, nor for removing or reinstalling parts. Accessories, peripheral and ancillary parts and equipment not covered by the warranty.
G. Enertech Global, LLC. does not warrant equipment which has been custom built or modified to purchaser-user specifications. Likewise, any field modification of any equipment shall also void this, and any and all warranties.
H. Regular maintenance such as filter changes, drain pan cleaning, loop flushing/pressurization, and other monthly/annual maintenance is not covered.
I. All warranty claim items must be held for 90 days at customer location and returned to Enertech freight prepaid upon issuance of RMA by Warranty Administration.

Notice: Outdoor or unconditioned space installation of any equipment other than units intended for outdoor installation shall cause this and all warranties to be deemed void.

SHIPPING COSTS: The purchaser-user will be responsible for the cost of shipping warranty replacement parts from the Enertech Global, LLC. factory to the distributor of the parts. Purchaser-user is also responsible for any shipping cost of returning the failed part to the distributor.

THE FOREGOING LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES (AND IMPLIED CONDITIONS IN CANADA), EXPRESSED, IMPLIED AND STATUTORY, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANT-ABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND ALL SUCH WARRANTIES, EXPRESSED OR IMPLIED, ARE EXCLUDED AND SHALL NOT APPLY TO THE GOODS SOLD. IN NO EVENT SHALL WARRANTOR BE LIABLE FOR DIRECT, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY DEFECT IN THE GOODS EXCEPT TO THE EXTENT SET FORTH HEREIN.

(Some states do not allow exclusion or limitation of implied warranties or liability for incidental or consequential damage). For additional information or assistance, contact the WARRANTOR, which is: Enertech Global, LLC., 2506 South Elm Street, Greenville, IL 62246
Enertech Global, LLC., for brands: “GeoComfort”, “Hydron Module”, and “TETCO” Commercial or Non-Single Family

OPTIONAL COMMERCIAL EXTENDED WARRANTIES

Page 1 of 2, for standard Commercial Warranty details. The following optional extended warranties, if purchased, are additive to the standard Commercial Warranty.

Part # CCW COMMERCIAL EXTENDED WARRANTY - FIVE YEAR COMPRESSOR LIMITED WARRANTY
Enertech Global, LLC. warrants the compressor only to be free from defects in material and workmanship for a period of one (1) year from the date of delivery to the original purchaser-user. Enertech Global, LLC. warrants its geothermal unit against defect in materials and workmanship for one (1) year from the date of delivery to the original purchaser-user. Extended warranty part number CCW extends the compressor warranty by four (4) years, or five (5) years total from date of delivery to the original purchaser-user.

Part # CRW COMMERCIAL EXTENDED WARRANTY - FIVE YEAR REFRIGERANT CIRCUIT LIMITED WARRANTY
Enertech Global, LLC. warrants the refrigerant system components, to include the compressor, coaxial exchanger, air coil, expansion valve and reversing valve, to be free from defects in material and workmanship for a period of one (1) year from the date of delivery to the original purchaser-user. Enertech Global, LLC. warrants its geothermal unit against defect in materials and workmanship for one (1) year from the date of delivery to the original purchaser-user. Extended warranty part number CRW extends the refrigerant system components warranty by four (4) years, or five (5) years total from date of delivery to the original purchaser-user.

Part# CPW COMMERCIAL EXTENDED WARRANTY - FIVE YEAR INTERNAL COMPONENTS LIMITED WARRANTY
Enertech Global, LLC. warrants the refrigerant system components, to include the compressor, coaxial exchanger, air coil, contactor, circuit boards, capacitor, wiring harnesses, blower assembly, expansion valve and reversing valve, to be free from defects in material and workmanship for a period of one (1) year from the date of delivery to the original purchaser-user. Enertech Global, LLC. warrants its geothermal unit against defect in materials and workmanship for one (1) year from the date of delivery to the original purchaser-user. Extended warranty part number CPW extends the refrigerant system components and unit warranty by four (4) years, or five (5) years total from date of delivery to the original purchaser-user.
